

Portsmouth Local Offer

The Local Offer website is a collaboration between parents and carers of disabled children, young people and Portsmouth City Council to help parents find out what is available in the area for children with special educational needs or disabilities (ages 0-25) and how to access a variety of services. These range from health, social care and education to short breaks, leisure facilities, support groups and the voluntary sector.

The Local Offer holds this information in one place so that parents can make an informed choice on the support their child may need.

The Local Offer was co-produced with a group of parents to ensure the information was put together in a friendly and easy format.

The Local Offer can be found at: www.portsmouthlocaloffer.org
